

Summer School Literary Studies & Digital Humanities May 31- June 2 (2021)

From May 31 to June 2, 2021, a Summer School for Literary Studies & Digital Humanities will take place at Leiden University organized by the Netherlands Research School for Literary Studies (OSL). The focus will be on recent academic research in Literary Studies at the intersection with Digital Humanities.

The research school is primarily intended for early-career researchers in Literature Studies (ResMa, pre- and postdocs) and is free for OSL members, but interested lecturers and researchers can also send an [email](#) for more information to [Carmen van den Bergh](#).
